A simple twist of fate Daniel Sikl

The novel follows the story of two friends trapped in two parallel universes. Their unwillingness to accept death, love and life twirls them into incomprehensible situations. Both protagonists fall for the same girl, though she's been deceased for some years. Dreams guide the characters to ominous creatures, which they encounter during their waking state. No one is who they truly seem. Closure and discovering the meaning of those words encompass this farcical journey.
