An Interview with Abraham Lincoln: April 1, 1865 Wade Hall

Author Wade Hall has taken Abraham Lincoln's actual words from speeches, articles, and letters and assembled them in the form of answers to questions posed in an imagined interview with a fictional young journalist recently returned from the war front. The result is a fresh look at the mind and philosophy of our 16th president and the issues he grappled with as the war came to a close just a few days before he was assassinated.
