A Review from Amy McClung - "This was a great follow up to Dying to Forget. It took me less than a day to read it. Amazing story that grabs at your heart strings. I wasn't expecting the ending to this one. Again, having lost someone close to me to suicide and being someone who suffered with depression a lot in my teens, I related to this story so much. I look forward to book 3 in this series!! I highly recommend this series!"
