The spellbinding story of an American lawyer who takes on a nearly impossible case—the defense of an African freedom fighter against his corrupt government’s charge of murder

Damon Pierce’s life has just reached a defining moment: a gifted California lawyer, he’s being divorced by his wife and his work often seems soulless. Then he receives a frantic e-mail from Marissa Brand Okari—a woman he loved years ago—and decides to risk everything to respond to her plea for help.

Marissa’s husband, Bobby Okari, is the charismatic leader of a freedom movement in the volatile west African nation of Luandia, which is being torn apart by the world’s craving for its vast supply of oil. Bobby’s outspoken opposition to the exploitation of his homeland by PetroGlobal—a giant American oil company with close ties to Luandia’s brutal government—has enraged General Savior Karama, the country’s autocratic ruler. After Bobby leads a protest rally during a full eclipse of the sun, everyone in his home village is massacred by government troops. And now Bobby has been arrested and charged with the murder of three PetroGlobal workers. Still drawn to Marissa, Pierce agrees to defend Bobby, hoping to save both Bobby and Marissa from almost certain death. But the lethal politics of Luandia may cost Pierce his life instead.

Culminating in a dramatic show trial and a desperate race against time, *Eclipse* combines a thrilling narrative with a vivid look at the human cost of the global lust for oil. Here is Richard North Patterson at his compelling best, confirming his place as our most provocative author of popular fiction.

From reader reviews:

John Lee:

What do you regarding book? It is not important with you? Or just adding material when you want something to explain what the ones you have problem? How about your free time? Or are you busy individual? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Every individual has many questions above. The doctor has to answer that question since just their can do which. It said that about publication. Book is familiar on every person. Yes, it is proper. Because start from on pre-school until university need this particular Eclipse to read.

Nathaniel Thomas:

The actual book Eclipse has a lot associated with on it. So when you check out this book you can get a lot of help. The book was published by the very famous author. Mcdougal makes some research just before write this book. This particular book very easy to read you can get the point easily after reading this article book.

Theo Garcia:

Precisely why? Because this Eclipse is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will distress you with the secret this inside. Reading this book beside it was fantastic author who have write the book in such amazing way makes the content inside of easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have got such as help improving your proficiency and your critical thinking way. So , still want to hesitate having that book? If I have been you I will go to the e-book store hurriedly.

Nicholas Schindler:

This Eclipse is brand-new way for you who has intense curiosity to look for some information because it relief your hunger of information. Getting deeper you on it getting knowledge more you know or perhaps you who still having tiny amount of digest in reading this Eclipse can be the light food for yourself because the information inside this book is easy to get by means of anyone. These books acquire itself in the form which is reachable by anyone, yeah I mean in the e-book type. People who think that in reserve form make them feel sleepy even dizzy this e-book is the answer. So there is not any in reading a guide especially this one. You can find actually looking for. It should be here for you. So , don't miss this! Just read this e-book style for your better life and knowledge.
