Liam Page knows music and a life of solitude, but that all changed when he returned to Beaumont. The once notorious bad boy lead singer of 4225 West is now living the domesticated life with his wife and high school sweetheart, Josie, and their son, Noah. Life is good for the Westbury family. Josie Westbury loves everything about her life. She's happily married. She has a successful business and a son who keeps her active. The only thing she longs for is another child. Torn between his love for music and his love for his family, Liam finds he's needed back in Los Angeles and the place where it all began. Josie is apprehensive, but knows this is what's best for Liam and the band's career; however, it doesn't take long for her biggest fears to start coming true. Liam and Josie's story continues in this last installment of The Beaumont Series.
