## **The Labyrinth: A True Life Adventure Seeking Wisdom, Healing and Love** Lori Lovens

For two years, Lori Lovens studied with The Secret's James Ray, traveling from the lava caves of Kona to the pit of hell beneath the Great Pyramid of Giza, discovering a loving and supportive community of spiritual seekers and a path to healing. Lori had built her life around a successful career--an MBA, sixteen years of consulting and marketing the world's biggest brands, a job she loved--until devastating depression forced her to abandon it all. The loss of that identity had left her feeling powerless but determined to live a life of deeper meaning. Initially entranced by her charismatic teacher, Lori learns to see that the wisdom and love she was seeking were always within her Self. In this intimate and brilliant memoir, Lori Lovens shares how she discovered her truth, her talents and her purpose, compassionately inspiring others to find the courage to embrace their own inner wisdom.
