All Creatures Great and Small

All Creatures Great and Small

*All things bright and beautiful,
All creatures great and small,
All things wise and wonderful,
The Lord God made them all!*

A lush little board book edition of the beloved hymn.

Naoko Stoop's charming art, with an array of cuddly animals and an adorable little girl, captures the sweet spirit of the lyrics, which offer praise for nature, beauty, and the glory of all creation. The girl, accompanied everywhere by a cute monkey, wanders through glowing fields of flowers, where birds fly and nest; purple mountains with a flowing river where ducks make their home; and lush butterfly-filled meadows, perfect for playing. This is a gorgeous book for parents and children to share.

From reader reviews:

Gary Lewis:

The book All Creatures Great and Small can give more knowledge and information about everything you want. So just why must we leave a very important thing like a book All Creatures Great and Small? A few of you have a different opinion about guide. But one aim which book can give many info for us. It is absolutely suitable. Right now, try to closer with your book. Knowledge or info that you take for that, you may give for each other; you could share all of these. Book All Creatures Great and Small has simple shape but the truth is know: it has great and massive function for you. You can appear the enormous world by open up and read a reserve. So it is very wonderful.

Nancy Hedrick:

Information is provisions for those to get better life, information these days can get by anyone in everywhere. The information can be a expertise or any news even restricted. What people must be consider when those information which is inside former life are difficult to be find than now could be taking seriously which one would work to believe or which one the actual resource are convinced. If you get the unstable resource then you have it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take All Creatures Great and Small as your daily resource information.

Thomas Daniels:

Guide is one of source of know-how. We can add our information from it. Not only for students and also native or citizen will need book to know the update information of year for you to year. As we know those guides have many advantages. Beside most of us add our knowledge, may also bring us to around the world. With the book All Creatures Great and Small we can take more advantage. Don't you to be creative people? For being creative person must choose to read a book. Simply choose the best book that suited with your aim. Don't become doubt to change your life at this time book All Creatures Great and Small. You can more attractive than now.

Lisa Phelps:

Some individuals said that they feel uninterested when they reading a e-book. They are directly felt this when they get a half portions of the book. You can choose the particular book All Creatures Great and Small to make your personal reading is interesting. Your own skill of reading skill is developing when you including reading. Try to choose very simple book to make you enjoy to read it and mingle the sensation about book and studying especially. It is to be first opinion for you to like to available a book and go through it. Beside that the reserve All Creatures Great and Small can to be your friend when you're sense alone and confuse in doing what must you're doing of this time.
