Leah and Erica have been best friends and have gone to the same Catholic school since just about forever. Leah spends so much time with the Nolans--just Erica and her handsome stepfather now, since Erica's mother died--that she's practically part of the family. When the girls find something naughty under Mr. Nolan's bed, their strict, repressive upbringing makes it all the more exciting as they begin their sexual experimentation. Leah's exploration presses deeper, and eventually she finds herself in love for the first time, torn between her best friend and her best friend's stepfather.

Warning: This title contains erotic situations, lesbian sex, sex toys, some very naughty taboos and also makes mention of pornography, salmon, amusement parks, chocolate covered strawberries, brownies (as well as girl scouts), plaid skirts, naughty uses for confessionals and some sacrilegious humor.
