Our readers wanted more so here it is! The 2nd edition is a full length novel that combines the 3rd and 4th novellas from the 1st edition about Thad and Brianna with added story line. We love Thad and Bri and glad you do as well!

Thad never expected to find anyone who meant more to him than his best friend, Cassie. She was the one woman he loved enough not to sleep with. He was a player, but an honest one. Unfortunately, not everyone felt that balanced out his love 'em and leave 'em ways. He just didn't see a need to settle down — yet. Then, he met Brianna, who made him think about the future — a future with her — which was a new experience for Thad. Brianna is also a new kind of woman and convincing her that they have a future might just be the challenge of his life.

Brianna works through men like she works through her closet — seasonally. Any other way has always been trouble. When she meets Thad, she is thrilled. Not only does he intrigue and excite her, but he is just like her — noncommittal. He sets her on fire with his smooth talk and honest approach to dating. Even without being physical beyond a kiss, the thought of him makes her entire body hum. Except, Thad has gone and gotten attached to her in a way neither of them expected; attached in a way she simply cannot allow. Unfortunately, he won't allow their relationship to become physical until she surrenders her heart to him, which is a battle she isn't sure she can win. The longer it lasts, the less sure she becomes of wanting it to.
