Beginnings

L.T. Smith

Beginnings L.T. Smith

1974. The Osmonds, space hoppers and climbing trees, all grounded in the ultimate belief that life was perfect. Childhood filled with tomorrows and a friendship built to endure anything. Or was it?

Lou Turner loves Ashley Richards. Always has and always will. This is Lou's story...a story spanning thirty years...from the innocence of youth to the bitterness of adulthood. But can Lou use her beginnings to shape her future? Only one woman can answer that question. Childhood and friendship...love and belief...hope that yesterdays can be what futures are made of. And Lou's future began the day her world fell from a tree.
