Inside the world of the massively popular sandbox game, Minecraft, an Enderman keeps a diary. He writes his thoughts about building an Enderman settlement for the Ender Dragon in the Overworld.

This Enderman isn't like other Endermen. For one, he loves to eat cake. His favorite past times include teleporting to different places looking for ingredients for that perfect sweet dessert, forming friendships with other mobs like magma cubes and slimes, and interacting with humans.

Follow the journey of this Enderman and discover where his fondness for cakes will take him to? Will his teleporting to other places when he's supposed to be working on the Ender city led him to trouble with the Ender Dragon?
