Sick of the crime and degenerates who have taken over New York , Gene dreams of the day he can clean up his city. Gene, being of small stature and no fighting skills, decides to take things into his own hands and begins injecting himself with the altered DNA of a gorilla. Nothing seems to be happening until one fateful night on a subway train when Gene is accosted by a bunch of hoodlums, his anger somehow ignites his Frankenstein chemicals into action. Let the underworld of NYC beware!
