Darcy McCary came to Nashville with some big expectations--to find her birth parents. She had no plans of making a life in Tennessee. But when her sources lead her to Eduardo Keller, her heart took over, and plans changed.

Eduardo Keller is a man who goes after what he wants and he doesn't have time for playing games. Darcy is exactly the woman he's been looking for to assist him in business and be his partner in life.

Because he loves Darcy, Ed promises to help her find the answers she seeks. What he doesn't know is that if Darcy finds the secret to her past it might mend her curiosity; however, it might also tear apart a branch of the Keller family.
