Other (An Other Novel) Karen Kincy

Feathers unfurl from my skin. My plummet curves into a swoop, and I tuck my talons beneath my body. From girl to great horned owl in about a second. Pretty good, huh?

Gwen Williams is like any other modern teenager with one exception: she's a shapeshifter. Never having known her Pooka-spirit father, Gwen must struggle with the wild, wonderful magic inside of her alone—and in secret. While society may tolerate vampires, centaurs, and "Others" like Gwen, there are plenty of folks in Klikamuks, Washington, who don't care for her kind.

Now there's a new werewolf pack in town, and Others are getting killed, including Gwen's dryad friend. The police are doing zilch. In the midst of terrible loss and danger, Gwen meets a cute Japanese fox spirit who's refreshingly comfortable with his Otherness. Can Gwen find the courage to embrace her true self and find the killer-before she becomes the next victim?

"This who-done-it is an unusual blend of mystery and fantasy, starring original characters not often featured in modern urban fantasy for teens. I really enjoyed it."—Annette Curtis Klause, author of *Blood and Chocolate*
