## Introducing a New Steamy BBW Paranormal Shape Shifter Romance

Cania was an old family that came to Chicago in the years after World War 2. Her people kept close and the Illian clan grew to great proportions. She was proud of her family ties and the old traditions, until she was chosen to be the new Queen. Her mate was a ruthless man that had already taken liberties with her, showing her that it would only get worse with marriage.

Her only hope is to go to Nana Fogle to get some advice. The seer offers her a strange solution and Cania found herself on a website tailored for women seeking bear shifters. While it was unorthodox, Cania knew that Nana wouldn't steer her wrong, so she followed her heart that led her right to Tim.

Tim was naturally a protector, his large side making Cania feel safe as she was chased by her betrothed. Cania has a secret though and she is not sure what Tim will say when he finds out. Will he be able to see past the truth of who she really is or will they just be doomed as two forbidden shifters?
