**The Rhythm of Murder: The Asharton Manor Mysteries: Book 3 (Volume 3)** Celina Grace

THIS IS NOT A FULL LENGTH NOVEL - IT IS NOVELLA LENGTH (about 20 thousands words). It is 1973. Eve and Janey, two young university students, are en route to a Bristol commune when they take an unexpected detour to the little village of Midford. Seduced by the roguish charms of a young man who picks them up in the village pub, they are astonished to find themselves at Asharton Manor, now the residence of the very wealthy, very famous, very degenerate Blue Turner, lead singer of rock band Dirty Rumours. The golden summer rolls on, full of sex, drugs and rock and roll, but Eve begins to sense that there may be a sinister side to all the hedonism. And then one day, Janey disappears, seemingly run away... but as Eve begins to question what happened to her friend, she realises that she herself might be in terrible danger... The Rhythm of Murder is the third in the Asharton Manor Mysteries series: a four part series of novellas spanning the twentieth century. Each standalone story uses Asharton Manor as the backdrop to a devious and twisting crime mystery, from bestselling crime writer Celina Grace, author of The Kate Redman Mysteries. Praise for Celina Grace from Amazon and Goodreads reviewers: "One of the best I have read this year. I read about a fourth of the book early in the day, then at bedtime, I thought I would read a bit more before sleep. I finished the book at 5:20 AM. Just could not put it down." I really enjoyed it and the characters in it so I'm pleased I also have the sequel downloaded to read at some point. I know it should be great." "Attention to detail and great character building coupled with a mystery that keeps you guessing are all the ingredients that make me keep reading till the early hours of the morning." "Celina Grace has done it again, she compels you from page to page and chapter to chapter, a great, riveting read..."
