Wink Poppy Midnight April Genevieve Tucholke

The intrigue of *The Raven Boys* and the "supernatural or not" question of *The Unbecoming of Mara Dyer* coalesce in this young adult mystery, where nothing is quite as it seems, no one is quite who you think, and everything can change on a dime.

Every story needs a hero.

Every story needs a villain.

Every story needs a secret.

Wink is the odd, mysterious neighbor girl, wild red hair and freckles. Poppy is the blond bully and the beautiful, manipulative high school queen bee. Midnight is the sweet, uncertain boy caught between them. Wink. Poppy. Midnight. Two girls. One boy. Three voices that burst onto the page in short, sharp, bewitching chapters, and spiral swiftly and inexorably toward something terrible or tricky or tremendous.

What really happened?

Someone knows.

Someone is lying.

For fans of Holly Black, *We Were Liars*, and *The Virgin Suicides*, this mysterious tale full of intrigue, dread, beauty, and a whiff of something strange will leave you utterly entranced.
