Re-Release

Hilariously funny, *An American Werewolf In Hoboken* takes you on a laugh-out-loud roller-coaster ride from beginning to end, as Max Adams, one strong alpha male, finds himself at the mercy of a woman who thinks he's a big, fluffy dog. Dakota Cassidy takes you on an erotic journey as Max seduces his mate, who just happens to be his human owner, at least according to the local dog pound. Dog by day, man by night, things can't get any more complicated...or can they? *An American Werewolf In Hoboken* is Book 1 in Dakota Cassidy's Wolf Mates series. This is one romantic comedy you don't want to miss.

"Dakota never disappoints!" MaryJanice Davidson, New York Times bestselling author.

Wooing a life mate can be hard enough for a wolf, wooing one while under the threat of a curse even more so.

Wooing a mate while pretending to be her dog? Nearly impossible.

After being drugged and captured by Animal Control, Max Adams is on Hoboken's doggie death row when his life mate adopts him, takes him home, and promptly names him Fluffy. While JC, in all her new-pet-owner-ness, feeds "Fluffy" vile kibble, dresses him in mortifying dog couture, and schedules to have his manhood removed, Max's human side gets to know JC. Especially in the biblical sense.

Hopefully well enough to make her fall madly in love, mate with him under the full moon, and move with him to Cedar Glen to live happily every after forever and ever amen. And fast.

Because the curse comes with a deadline...and the clock is ticking.
