Book 1: We all enjoy scents, and it is a common goal of ours these days to make our own, all natural products. This is made a lot easier since we have discovered how many uses there are for essential oils. These oils are perfect for so many things, including making perfume. This is the fastest and simplest way of making perfume, not to mention one of the healthiest. No harmful chemicals, no preservatives, just pure, simple oils that you can put on your skin and smell great, no matter what the occasion.

Follow the recipes in this book, and use them to make some of your own. It doesn't matter what the occasion is, you are going to have something to wear for it. You won't ever run out of perfumes again, and you are going to be happier and healthier no matter how much you use!

Book 2: If you love to make homemade remedies and perfumes, you will love 'Homemade Deodorant: 47 Organic Non-Toxic Deodorant

And Body Spray Recipes To Keep You Dry And Smelling Great All Day Long!’ This ebook is also ideal for anyone who has difficulty finding a body spray or a deodorant that doesn’t cause dermatitis.

If you want to go back to nature and enjoy all the benefits that come with using completely natural products, then you need to learn how to make your own deodorants and body sprays.

Stop buying products that are full of chemicals and are potentially quite harmful, use homemade deodorants and sprays that will leave you feeling fresh and smelling good every single day!
