Nick Caine is a part-time archaeologist and full-time antiquities thief—a looter. And a very good one, too. So good that he catches the attention of the beautiful Marie Da Vinci, who offers him the chance of a lifetime: to locate the legendary Ciudad Blanca. The lost White City. A city purportedly filled with riches beyond belief.

Against his better judgment, Nick agrees to help...and soon finds himself on a trail into the unknown. And close behind is someone who will stop at nothing to beat them to the prize. Nick Caine, of course, has a few surprises up his sleeve. After all, he's no ordinary looter.
