The race for survival comes to a thrilling conclusion in the heart-stopping finale to the Darkness Rising trilogy, from #1 *New York Times* bestselling author Kelley Armstrong.

Things are getting desperate for Maya and her friends. Hunted by the powerful St. Clouds and now a rival Cabal as well, they're quickly running out of places to hide.

All they have is the name and number of someone who might be able to give them a few answers. Answers to why they're so valuable, and why their supernatural powers are getting more and more out of control. But Maya is unprepared for the truths that await her. And like it or not, she'll have to face down some demons from her past if she ever hopes to move on with her life. Because Maya can't keep running forever.

With all the twists, thrills, and romance that have made Kelley Armstrong an international bestseller, plus the surprising return of some fan-favorite characters, *The Rising* will hold you under its spell long after its breathtaking end.
