View Park (A View Park Novel) Angela Winters

Welcome to the scandalous, glamorous, intriguing world of one of the country's wealthiest and most powerful African-American families. . .

Los Angeles-based cosmetics tycoon Steven Chase has come a long way from his humble beginnings. Steven's family, including socialite wife, Janet, and four grown children, live a life of privilege in exclusive View Park. But when Steven wants to expand his empire by adding a chain of hair salons, one woman stands in his way. Once Steven realizes he can't seduce her with money, he tries a different approach: his handsome attorney son, Carter. . .

Meanwhile, spoiled debutante Haley Chase is busy getting into high-profile trouble on her lover's yacht, pediatrician Leigh Chase is determined to start a free clinic--against her parents' wishes--and Michael Chase is busy doing Daddy's dirty work. His only soft spot is for his wife, Kimberly, who has her own ambitions--plans that may one day shake the very foundations of the Chase dynasty--and change their view from the top forever. . .
