American Military Leaders

Joseph Dawson, Roger J. Spiller

American Military Leaders Joseph Dawson, Roger J. Spiller

This book is an abridged edition of the critically acclaimed, three-volume *Dictionary of American Military Biography* (Greenwood Press, 1984). The scope of the original work encompassed a much wider range of people than soldiers; it included politicians, scientists, inventors, explorers, physicians, and humanitarians who had a significant impact on American military history. This new edition focuses on the most distinguished and important battle commanders in American history from colonial times to the present. Each essay incorporates the latest scholarship on the life under study, depicting the background, education, professional development, and accomplishments of the most notable practitioners of the art of war. Unlike most works of this genre, *American Military Leaders* offers critical appraisals of its subjects. The essays were contributed by some 100 military historians. Cross references and bibliographies are provided. There is a new introduction and an enhanced reference index.

This careful abridgement of an acknowledged classic guide to military history can be used as a supplementary text for courses on the evolution of war and American military history. Professional soldiers will welcome its emphasis on battlefield warriors and military history buffs will find it both insightful and enjoyable reading.

From reader reviews:

Alberto Meyer:

Reading a guide tends to be new life style in this era globalization. With looking at you can get a lot of information that could give you benefit in your life. With book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. Many author can inspire all their reader with their story or maybe their experience. Not only the storyline that share in the books. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors these days always try to improve their expertise in writing, they also doing some exploration before they write for their book. One of them is this American Military Leaders.

Darrell Guess:

Spent a free time for you to be fun activity to complete! A lot of people spent their free time with their family, or their very own friends. Usually they doing activity like watching television, gonna beach, or picnic in the park. They actually doing same every week. Do you feel it? Will you something different to fill your free time/ holiday? Might be reading a book might be option to fill your free time/ holiday. The first thing that you ask may be what kinds of publication that you should read. If you want to attempt look for book, may be the publication untitled American Military Leaders can be good book to read. May be it could be best activity to you.

Daniel Nelson:

People live in this new day of lifestyle always try to and must have the extra time or they will get great deal of stress from both daily life and work. So , whenever we ask do people have free time, we will say absolutely without a doubt. People is human not really a huge robot. Then we request again, what kind of activity do you have when the spare time coming to a person of course your answer may unlimited right. Then do you ever try this one, reading publications. It can be your alternative within spending your spare time, typically the book you have read is usually American Military Leaders.

Colton Fierros:

A number of people said that they feel uninterested when they reading a e-book. They are directly felt this when they get a half regions of the book. You can choose the actual book American Military Leaders to make your reading is interesting. Your own personal skill of reading proficiency is developing when you just like reading. Try to choose very simple book to make you enjoy you just read it and mingle the idea about book and examining especially. It is to be 1st opinion for you to like to open a book and go through it. Beside that the guide American Military Leaders can to be your brand-new friend when you're experience alone and confuse with the information must you're doing of this time.
