Diana

Sarah Bradford

Diana Sarah Bradford

An icon remembered as vividly in death as she appeared in life, Diana, Princess of Wales, is one of the most enduring personalities of the 20th century, and one of the most enigmatic. Admired, almost worshipped, a forceful presence in society and fashion and a devoted mother, she was also plagued by rumor and scandal throughout her brief life. Using exclusive new interviews and eyewitness testimony, Sarah Bradford now casts aside the gossip and lies to separate myth from truth.

Diana follows her old-fashioned courtship by the Prince of Wales, as the world began aiming its cameras at the entrancing princess-bride. Drawing on fresh interviews with those close to Diana, some of whom have never spoken on the record before, Bradford sheds new light on the collapse of the marriage once hailed as the ultimate fairy tale. She examines Diana's lovers and her relationships with staff, friends, and family, as well as her profound commitment to charity. Finally, she documents Diana's struggle to find an identity after her separation from Charles, her final complicated year as a single woman, and the world's overwhelming reaction to her death.

Sympathetic but clear-eyed, with the authority missing from all previous accounts, acclaimed royal biographer Sarah Bradford delivers a complex and striking study of one of the most popular figures of the 20th century.
