Newbie To Guru: Concept To Sales Eric Rovelto

Everyone wants to start a business online. Everyone thinks that they will make a million dollars overnight with whatever they try to sell. The problem is that no one knows where to start and start correctly. That is where Concept to sales comes in. If you are someone who has struggled to find a product, create a product or get something to sell online and just has failed time and time again then you need to read this book. For the past 13 years or so I have been selling products and services online and making money by doing it. Many people have asked me to help them to get started doing what I do. I have finally listened and put my knowledge into this book. Now I am going to tell you that there is no magic formula or secret codes for doing this. But there is a proven method that will generate you income if you just focus your efforts in the right areas. In this book I will walk you through step by step how to take a concept, a rough idea have you for a product, service or business that you want to start or expand if you are currently working on something that isn't making you the money you feel it should. I will walk you step by step from taking that concept, developing your product, developing your web site and putting your product on the market. When you finish this book you will have the foundation that you need for success. This book starts where you need to start and ends with you having success. If you are someone who is ready to take action and is willing to do what is needed to get started from nothing and build your dream then you need to get Newbie to Guru Concept to Sales. To your success!
