From the wildly popular website **PeopleofWalmart.com**, this photo collection of Americans in their natural shopping habitat (70 percent of which is **brand new and never before included on the website**) presents people of all shapes and sizes wearing and **doing everything imaginable** in full view of their fellow shopping public. Plus, for the first time **brand-new fan-submitted stories** offer the most random experiences you can imagine!

So welcome to a world where **no shoes and no shirt are no obstacles**, where parking lots are filled with dead deer, Bengal tigers, and **old men in thongs riding bikes**. Once you meet the People of Walmart, you are sure to fall in love.
