Ralph Waldo Emerson: The Classics & Walden Ralph Waldo Emerson, Henry David Thoreau
Ralph Waldo Emerson was an American essayist, lecturer, and poet who led the Transcendentalist Movement of the mid-19th century.

The transcendentalists believe in the inherent goodness of both people and nature. They further believe that society and its institutions—particularly organized religion and political parties—corrupt the purity of the individual. They instead had faith that people are at their best when truly "self-reliant" and independent.

This collection includes all of Emerson's classic works. It also includes the classic book *Walden* by Henry David Thoreau which parallels much of Emerson's thinking.

All works have been formatted for reading on the Kindle.
