Cormyr will allow DM and player alike to wander the King's Forest and the alleys of Suzail in the mind's eye. It presents indispensable information for any campaign played in the FORGOTTEN REALMS setting, including military and magical forces, rules for obtaining adventuring charters (required by the Crown), and facts about the War Wizards and Council of Mages. A full-color map of the area details many sites not mentioned in the Campaign Setting, providing the creative DM ideas with which to entertain players for many nights of adventuring.
