Human Relations: Strategies for Success Lowell H. Lamberton, Leslie Minor

HUMAN RELATIONS: Strategies for Success offers students a down-to-earth approach to complex research-based issues that comprise human relations. The authors emphasize self-esteem and attitude as foundations to human relations and by extension to professional success. Lamberton puts theoretical information into a human context and then into a business context. He leads students from the personal level of human relations, to the application of human relations to group theory to higher level human relation skills to workplace issues. Through this progression, readers move from personal knowledge about human relations to it's business applications.
