Because of her boyfriend Kian's sacrifice, she's operating under the mysterious Harbinger's aegis, but his patronage could prove as fatal as the opposition. Raw from deepest loss, she's terrified over the deal Kian made for her. Though her very public enemies keep sending foot soldiers - mercenary monsters committed to her destruction - she's not the one playing under a doom clock. Kian has six months . . . unless Edie can save him. And this is a game she can't bear to lose.
