The Inheritance Inn Rebekah Burton

Avery's life is turned upside down when she loses her job and a beloved great-aunt in the same day. Before the fateful Monday is even over, she discovers that she has also inherited her family's inn. Soon Avery is at odds with her own relatives over the planned reopening of the inn. Avery isn't even sure she wants her inheritance, but eventually discovers that someone else does--and is willing to go to great lengths to get it. Avery begins to question how God is going to help her through the trials she faces. Michael, the former handyman for the Inheritance Inn, wants to help Avery reopen the inn if that is her desire. Avery's family does not trust him, and he doesn't understand why. His frustration mounts when suspicious activities begin to occur surrounding the inn. Avery's own safety is ultimately at risk. Can he protect her before it is too late? Avery and Michael's faith is stretched and tested with every setback. When Avery's inheritance is at stake, will God help both of them through? *The Inheritance Inn is written from a Christian worldview.
