Catch a glimpse inside the mind of one of the most notorious murderers in recent memory - Lyle Menendez. The cold-blooded murder of Jose and Kitty Menendez shocked the nation. At first it seemed to be the work of the mob, but it soon became apparent that the murderers were their sons Lyle and Erik. Their first trial started a media frenzy and was filled with lurid details, but these never clearly explained why the brothers killed their parents. Now you can hear Lyle's own words as he talks to a middle-aged single mother, Norma Novelli, with whom he corresponded for years. Listen as he divulges many never before shared secrets to Norma, and then decide for yourself what caused the Menendez brothers to commit their horrifying crime.
