Sarah is struggling to make ends meet with her secretary job at the doctor's office. Even though her C.E.O. step brother Vince treats her poorly, he offers her a job as a temporary bartender at one of his bars while another bartender tends to maternity leave.

While she was working one night, Vince was there drinking with his friends and she has to take him home to make sure he's safe and taken care of. But because he was too drunk and she doesn't know his alarm code, she ends up taking him to her place instead.

While getting him into bed, he slightly wakes up and they passionately kiss, which leads to her kissing him back. Ultimately, this helps them rekindling their broken relationship, now fueled with romantic intentions. A simple drunken act reveals the true intentions and what they feel at their core.
