Author of this book has attained proficiency in Technical Analysis and has been analyzing the Indian markets, its index Nifty and stocks for more than two decades through various indicators, oscillators and chart patterns of Technical Analysis and by using Astrological Analysis as well. After completing his post graduation in economics, he started analyzing the Stock Markets with the parameters, indicators & oscillators of Technical Analysis & Fundamental Analysis as well as by applying his knowledge of Astrology into it. Author has been carrying out aggressive research and analysis on the markets and on the techniques of price prediction and has also published few books on his analysis that teaches an extra edge in making successful predictions. He is the one who propounded and gifted the world for the first time with his “Astrological Theory of Business Cycles” which helps to identify and predict the Business Cycles, Booms & Recessions with a method for timing these phases in advance. His “Astrological Theory of Business Cycles” was published for the first time in his book “Stock Market Astrology & Astrological Theory of Business Cycles” in the year 2009. His popular titles include “Stock Market Astrology & Astrological Theory of Business Cycles”, “Predicting the Nifty & Sensex”, “When to Buy and When to Sell in Stocks & Commodities” “Astro-Technical Analysis” & “Positional Trading in Nifty” apart from few other books written by him on astrology & horoscope analysis. Apart from predicting the stock markets he has been teaching Technical Analysis & Astrological Analysis, as well, to many of his students through his weekend classes. His best stock market predictions include the prediction of stock market fall in 1998-99 & 2000-01, which was made as a part of his mundane predictions for a magazine published from Chennai in 1995. This of his prediction turned out to be true as dotcom bubble burst and UTI US64 bond scam.
