Unearthed Robert J. Crane

WARNING: Due to extremely disturbing content, this book is intended for **MATURE READERS ONLY**. The town of Midian, Tennessee is spiraling straight to hell. Demons haunt the streets, people are dying by the hundreds, and the only defenders of the innocent townsfolk have been driven into hiding by a sheriff who doesn't know what he's dealing with. Enter Katlin "Kitty" Elizabeth – demon royalty and a Duchess on a mission. Kitty comes to town with one purpose in mind: to dig up an ancient artifact that even most of the demon world doesn't want to see the light of day. But here in the rising heart of chaos, secrets begin to come to light even as an improbable alliance begins to form – though it's anyone's guess as to whether it'll be too little, too late when it comes to saving Midian...
