Henry the Fourth, The Life of Henry the Fifth, and Henry the Sixth (Illustrated)

William Shakespeare

Henry the Fourth, The Life of Henry the Fifth, and Henry the Sixth (Illustrated) William Shakespeare

Henry IV, Part 1 is a history play by William Shakespeare, believed to have been written no later than 1597. It is the second play in Shakespeare's tetralogy dealing with the successive reigns of Richard II, Henry IV (two plays), and Henry V. Henry IV, Part 1 depicts a span of history that begins with Hotspur's battle at Homildon against the Douglas late in 1402 and ends with the defeat of the rebels at Shrewsbury in the middle of 1403.

The play picks up where Henry IV, Part One left off. Its focus is on Prince Hal's journey toward kingship, and his ultimate rejection of Falstaff. However, unlike Part One, Hal's and Falstaff's stories are almost entirely separate, as the two characters meet only twice and very briefly. Much of the play focuses on Henry IV's age and his closeness to death.

Falstaff is still drinking and engaging in petty criminality in the London underworld. Falstaff delivers one of his most characteristic lines: "I am not only witty in myself, but the cause that wit is in other men."

Henry VI, Part 1 (often written as 1 Henry VI), is a history play by William Shakespeare, and possibly Thomas Nashe, believed to have been written in 1591, and set during the lifetime of King Henry VI of England. Whereas 2 Henry VI deals with the King's inability to quell the bickering of his nobles, and the inevitability of armed conflict, and 3 Henry VI deals with the horrors of that conflict, 1 Henry VI deals with the loss of England's French territories and the political machinations leading up to the Wars of the Roses, as the English political system is torn apart by personal squabbles and petty jealousy.

Although the Henry VI trilogy may not have been written in chronological order, the three plays are often grouped together with Richard III to form a tetralogy covering the entire Wars of the Roses saga, from the death of Henry V in 1422 to the rise to power of Henry VII in 1485. It was the success of this sequence of plays that firmly established Shakespeare's reputation as a playwright.

Henry VI, Part 2 (often written as 2 Henry VI) is a history play by William Shakespeare believed to have been written in 1591, and set during the lifetime of King Henry VI of England. Whereas 1 Henry VI deals primarily with the loss of England's French territories and the political machinations leading up to the Wars of the Roses, and 3 Henry VI deals with the horrors of that conflict, 2 Henry VI focuses on the King's inability to quell the bickering of his nobles, the death of his trusted adviser Humphrey, Duke of Gloucester, the rise of the Duke of York and the inevitability of armed conflict. As such, the play culminates with the opening battle of the War, the First Battle of St Albans.

Although the Henry VI trilogy may not have been written in chronological order, the three plays are often grouped together with Richard III to form a tetralogy covering the entire Wars of the Roses saga, from the death of Henry V in 1422 to the rise to power of Henry VII in 1485. It was the success of this sequence of plays that firmly established Shakespeare's reputation as a playwright.

Henry VI, Part 2 has the largest cast of all Shakespeare's plays,[a] and is seen by many critics as the best of

the Henry VI trilogy

Henry VI, Part 3 (often written as 3 Henry VI) is a history play by William Shakespeare believed to have been written in 1591, and set during the lifetime of King Henry VI of England.

Although the Henry VI trilogy may not have been written in chronological order, the three plays are often grouped together with Richard III to form a tetralogy covering the entire Wars of the Roses saga, from the death of Henry V in 1422 to the rise to power of Henry VII in 1485.
