They have it all: money, looks, popularity, anything their little platinum-encased hearts desire. They also have a new face. After Lauren Page's unexpected and brilliant maneuver at the fall VIP dance, she is in so tight with Ashley Spencer, the number one Ashley, that she might as well be Ashley's favorite pair of leggings.

But a new website, www.ashleyrank.com, catches on like the flu in February, and for the first time since kindergarten it's open season in the popularity race. Lauren Page sees a way in, Ashley Li and Ashley Alito see a way up, and Ashley Spencer sees a way to prove there's only room for one at the top.
