Oliver Twist Investigates G. M. Best

Who killed Nancy? Did Charles Dickens frame Bill Sykes and if so, why? As an adult, Oliver Twist receives deeply unsettling information written years earlier by Fagin while he was awaiting execution. It convinces Oliver that Dickens did not tell the entire truth about the events leading to Nancy's death. Now Oliver must embark on a complex investigation that takes him into the worst slums of London as he seeks out the whereabouts of some of the most memorable figures from his past—Betsy, Noah Claypole, Mr Bumble, and Charley Bates—not forgetting, of course, the Artful Dodger. Oliver's life is set to change dramatically as he uncovers not only what happened to Nancy, but also the astonishing truth about his own identity.
