After his big epiphany in Damascus, Bartleby resumes inching his way northward along the Appalachian Trail with a newfound determination. Despite struggling beneath the unresolved weight of his previous life and a too-heavy backpack, he still somehow manages to keep moving forward—step after step, mile after mile. Joining Bartleby on this journey is an ever-changing crew of oddballs and outsiders, the wandering men and women of the Appalachian Trail. With white blazes marking the way and little adventures around every corner, Bartleby & Company push through the Mid-Atlantic States and climb into the mountainous wilds of New England.

Here concludes the story of a middle-aged man thru-hiking the Appalachian Trail against his will, against his better judgment and against all odds.
