The Diary Of An Expectant Father (The Diary Of A ... Father) (Volume 1) Pete Sortwell

Not only is Graham Peterson unlucky in his choice of careers, he's also been terrible with women throughout his adult life. That changes when he meets Alison on a work night out. Unfortunately for Graham, however, things change so drastically that within a month of dating Alison he gets the news that he's about to become a father for the first time. 'The Diary of an Expectant Father' charts the months leading up to what should be the happiest day of a young couple's life, but with a relationship so new and a career so bad, can Graham keep everything together for the sake of his unborn child? With all the pitfalls and worries of an expectant father charted, this book is for all those who have been through pregnancy or just want to know how a man deals with all these things internally. 'Expectant Father' is the first in a series of diaries by Graham Peterson, who sometimes thinks he's writing to an Alien Warlord from the future. The next in the series, 'The Diary of a Hapless Father: Months 1-3', charts those first three terrifying months of parenthood.
