*Fyodor Dostoevsky*

**The Idiot (Vintage Classics)** Fyodor Dostoevsky

Richard Pevear and Larissa Volokhonsky's masterful translation of **The Idiot** is destined to stand with their versions of **Crime and Punishment**, **The Brothers Karamazov**, and **Demons** as the definitive Dostoevsky in English.

After his great portrayal of a guilty man in **Crime and Punishment**, Dostoevsky set out in **The Idiot** to portray a man of pure innocence. The twenty-six-year-old Prince Myshkin, following a stay of several years in a Swiss sanatorium, returns to Russia to collect an inheritance and "be among people." Even before he reaches home he meets the dark Rogozhin, a rich merchant's son whose obsession with the beautiful Nastasya Filippovna eventually draws all three of them into a tragic denouement. In Petersburg the prince finds himself a stranger in a society obsessed with money, power, and manipulation. Scandal escalates to murder as Dostoevsky traces the surprising effect of this "positively beautiful man" on the people around him, leading to a final scene that is one of the most powerful in all of world literature.
