Derek Lundy

The Way of a Ship: A Square-Rigger Voyage in the Last Days of Sail Derek Lundy

When, as a young man in the 1880s, Benjamin Lundy signed up for duty aboard a square-rigged commercial sailing vessel, he began a journey more exciting, and more terrifying, than he could have ever imagined: a treacherous, white-knuckle passage around that notorious "graveyard of ships," Cape Horn.

A century later, Derek Lundy, author of the bestselling *Godforsaken Sea* and an accomplished amateur seaman himself, set out to recount his forebear's journey. *The Way of a Ship* is a mesmerizing account of life on board a square-rigger, a remarkable reconstruction of a harrowing voyage through the most dangerous waters. Derek Lundy's masterful account evokes the excitement, romance, and brutality of a bygone era -- "a fantastic ride through one of the greatest moments in the history of adventure" (*Seattle Times*).
