Passing your driving test is a right of passage, taking you from your youth to adulthood or from dependence to freedom. Once it's done it's done for life. The day you pass will be ranked among the best days of your life, a day never to be forgotten.

Some people pass easily, the first or second time they take the test while others fail and fail and fail again. If you're one of those then this book is for you. After you've understood the concepts, discovered why you've failed so far and found out what you can do to pass, it'll be your turn to be a fully fledged driver.

This book will help you to pass first time, second time or seventh time. You can save a fortune on lessons and on tests and you can save yourself from a mountain of stress.
