Images of the Recent Past: Readings in Historical Archaeology Charles E. Orser Jr.

Historical archaeology has been without a definitive, up-to-date collection that reflects the breadth of the field until now. Orser's book brings together classic and contemporary articles that demonstrate the development of the field over the last twenty years, both in North America and throughout the world. Orser's selections represent a wide variety of locales and perspectives and include works by many of the leading figures in the field. Engaging articles make it accessible to any interested reader, and superb for historical archaeology classes.
