Our lives were built around the strength of a kiss between strangers. Yet seven years on, look where it led us.

..

Missing You is a tantalizing love story and a seductive suspense novel. When Aisha met Ryan she fell hard for his good looks and easy charm. Why worry that he didn't want children or a nine to five job? Nothing and no one would come between them. But with the birth of their high-needs son, Eli, their extraordinary love is shackled into an ordinary life, their passion blunted by responsibility. Until Ryan can't take it anymore. Then, following a mysterious phone call late one night, Aisha leaves four-year-old Eli in the care of her elderly father Patrick—and doesn't come back. As Patrick struggles with the grandson he barely knows or understands, his frustration with his missing daughter and absent son-in-law quickly turns to fear. Particularly when blood is found in Aisha's abandoned car.
