Newly Exposed (The Exposed Series) (Volume 1) Meghan Quinn

Adam James is a corn-fed, Nebraska raised, piece of man meat with a chiseled body and baby face. He is in desperate need of a paycheck and will do just about anything to get one, including stripping down to his skivvies and lathering up in baby oil. Solo Cohan is a quirky hipster with a strong work ethic, raised by two gay dads who are head over heels in love with Harrison Ford and Star Wars, hence the name, Solo. She works for Teeg Model Management, the same modeling agency that decides to book Adam as their next up and coming model. Sparks ignite between her and Adam the minute her baby oil soaked hand connects with his practically naked body. Even though Solo can't stop thinking about Adam during photo shoots, she quickly and awkwardly, shows Adam her distaste for male models and her inability to engage romantically with them. Adam is captivated by her nerdy talk and peculiar tendencies and sets out to make it his mission to turn the Star Wars loving hipster to the dark side, where mingling with models is widely arousing.
