Starflight Melissa Landers

Solara Brooks needs a fresh start, someplace where nobody cares about the engine grease beneath her fingernails or the felony tattoos across her knuckles. The outer realm may be lawless, but it's not like the law has ever been on her side.

Still, off-world travel doesn't come cheap; Solara is left with no choice but to indenture herself in exchange for passage to the outer realm. She just wishes it could have been to anyone besides Doran Spaulding, the rich, pretty-boy quarterback who made her life miserable in school.

The tables suddenly turn when Doran is framed for conspiracy on Earth, and Solara cons him into playing the role of her servant on board the *Banshee*, a ship manned by an eccentric crew with their own secrets. Given the price on both Doran and Solara's heads, it may just be the safest place in the universe.

It's been a long time since Solara has believed in anyone, and Doran is the last person she expected to trust. But when the *Banshee's* dangerous enemies catch up with them, Solara and Doran must come together to protect the ship that has become their home-and the eccentric crew that feels like family.

From reader reviews:

Alicia Wescott:

Nowadays reading books become more than want or need but also be a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The info you get based on what kind of publication you read, if you want have more knowledge just go with education books but if you want feel happy read one together with theme for entertaining like comic or novel. The actual Starflight is kind of book which is giving the reader unstable experience.

Wesley Jerkins:

Reading a publication can be one of a lot of pastime that everyone in the world enjoys. Do you like reading book thus. There are a lot of reasons why people enjoy it. First reading a reserve will give you a lot of new details. When you read a reserve you will get new information simply because book is one of many ways to share the information or perhaps their idea. Second, studying a book will make a person more imaginative. When you looking at a book especially fictional works book the author will bring one to imagine the story how the character types do it anything. Third, you could share your knowledge to other individuals. When you read this Starflight, you can tells your family, friends in addition to soon about yours guide. Your knowledge can inspire average, make them reading a reserve.

Thomas Brown:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book had been rare? Why so many issue for the book? But almost any people feel that they enjoy for reading. Some people likes studying, not only science book but additionally novel and Starflight as well as others sources were given information for you. After you know how the truly great a book, you feel need to read more and more. Science guide was created for teacher or maybe students especially. Those ebooks are helping them to bring their knowledge. In additional case, beside science guide, any other book likes Starflight to make your spare time a lot more colorful. Many types of book like this.

Willis Harrington:

A lot of reserve has printed but it is different. You can get it by online on social media. You can choose the very best book for you, science, comedy, novel, or whatever simply by searching from it. It is known as of book Starflight. You can add your knowledge by it. Without causing the printed book, it can add your knowledge and make a person happier to read. It is most critical that, you must aware about reserve. It can bring you from one location to other place.
