Finn's Journal Gray Armstrong

As a child, genius Yury Shinault witnessed the brutal murders of her mother and stepfather before being kidnapped along with-and eventually separated from-her identical triplet sisters. Raised in seclusion by a military couple, she has only fragmented memories of the murders and her sisters, but she is highly trained in a number of grueling military survival and combat skills. While she searches for her sisters and attempts to piece together her past, she joins an elite F.B.I. investigative team. Her colleagues are quickly drawn into her troubled world as, unbeknownst to Yury or her new friends, her quest to bring her mother's killer to justice overlaps with an ongoing FBI investigation into the disappearances of several young women whose bodies were never found. As the threads are woven together, a net is created to capture a sociopath. . .placing Yury, her sisters and their friends and colleagues in great danger.
