Ghost Ship (Chinese Edition) Dietlof Reiche

Since her childhood, Reine had a special feeling towards the statue of Wind Bride in her fathers restaurant, and she asserted that the statues eyes hide an unknown secret. One day late at night, Reine sees through the eyes the Wind Bride sailing ship, a person hung on the mast! Reine finds a Navigation Notes from an old box in the storeroom, which was picked up long ago; some of the paper packed by waterproof cloth has been wet. The notebook records a horrifying fight on the Wind Bride. All the crew lost their lives in the fight...The night when Reine opens the Navigation Notes, the gulf in front of her house suddenly dries up, and the Wind Bride ship appears; ghosts on the ship repeat the internecine scenes constantly, and the helmsman recording the Navigation Notes also appears in the attic of Reines house (it turns out that he was the ancestor of her family!) Reine is totally scared; she feels that someone is calling her to board the ship...
