¡Quemad Barcelona! (Spanish Edition) Guillem Martí

Más allá del deber. En una polvorienta estación de autobuses, en Ciudad de México, Miquel espera la llegada de su mujer, Teresa, a quien no ve desde hace diez años, y de su hija, a quien no conoce. Mientras las espera, rememora con amargura los acontecimientos que le han llevado hasta ese lugar. Sus recuerdos lo llevan a enero de 1939, días antes de que el ejército rebelde entrara en Barcelona. La República agoniza y la guerra está perdida, y la ciudad es ya una sombra de lo que era: el que puede huye a la frontera y el que no, espera resignado la suerte del vencido. En estas condiciones llega la orden del Komintern de arrasar la ciudad, destruir las vías de comunicación y centros neurálgicos de energía, agua y transporte, para no dejar nada en pie al enemigo. Miquel Serra, miembro del PSUC y conseller de la Generalitat, es el encargado de llevar a cabo esa orden de tierra quemada. Pero Miquel, en alianza con Corbacho, un sargento madrileño veterano del ejército republicano, y jugándose la vida, boicotea esos planes y salvaguarda la ciudad.
